

3. Впиши в клеточки «соседей» чисел:

4 ; 2 ; 6 ; 8 ; 5

4.

Пересчитай фрукты, поставь точки и соедини с нужным числом.

The image shows a counting exercise with four boxes of fruit and a row of numbers. Each box has a line connecting it to a square box for the answer. Below the boxes is a row of eight circles containing the numbers 1 through 8.
